PROFESSIONAL PROFILE

I am a Software Engineering graduate from Kirinyaga University awaiting graduation in October 2026. I have practical experience in software development, web application development, database management, networking, and technical support gained through industrial attachments and independent projects. I have developed software solutions using Laravel, React.js, Node.js, Flutter, PostgreSQL, and cloud technologies. I am passionate about leveraging technology to solve real-world challenges and deliver impactful digital solutions.

CORE COMPETENCIES

- Full-Stack Software Development
- Backend Development & API Integration
- Database Design & Management
- Cloud Technologies & Version Control
- Networking & Technical Support
- Problem Solving & Team Collaboration

PROFESSIONAL EXPERIENCE

ICT Attachee | ICT Authority Kenya (May 2025 – August 2025)

- Assisted in developing and maintaining Laravel-based web applications.
- Participated in software testing, debugging, database management, and deployment activities.
- Collaborated with ICT teams to deliver digital solutions.

ICT Attachee | Webuye County Hospital (April 2024 – August 2024)

- Maintained LAN connectivity and provided technical support.
- Diagnosed and resolved hardware, software, and network issues.
- Supported ICT infrastructure and end users.

SELECTED PROJECTS

1. **Internship Management Platform** – Internship application, monitoring, evaluation and reporting system.
2. **Real-Time Chat Application** – Secure messaging platform built using Node.js, PostgreSQL, WebSocket and JWT.
3. **AI Spam Classification System** – Machine learning solution for spam email detection using Python.
4. **Global Cargo & Shipping System** – Shipment tracking and logistics management platform.
5. **Hospital Management System** – Online patient appointment booking and management system.

EDUCATION

Bachelor of Science in Software Engineering

Kirinyaga University

Completed Coursework | Graduation Expected October 2026

KCSE – St. Patrick's National School, Iten | Grade B

TECHNICAL SKILLS

Languages: PHP, JavaScript, Python,

Frameworks: Laravel, React.js, Node.js, Flutter

Databases: PostgreSQL, Mysql

Cloud & DevOps: Git, GitHub

Tools: Figma, Photoshop, JWT, WebSocket
